

PENNY DRIVE

For Eastern Washington Special Olympics

Who: A cooperative effort between LLES (3rd, 4th, & 5th grade classes), the LLPD, and the Eastern Washington branch of the Special Olympics

What: A Penny Drive with the proceeds benefitting the Eastern Washington branch of the Special Olympics

When: January 11th - February 22nd

Where: Liberty Lake Elementary School

Details:

- Students bring in pennies (nickels, dimes, quarters, and even dollar bills are okay as well) which will be collected each day in grade level buckets.
- Money will be collected from the school each week and counted. Updates will be given each Monday during the morning announcements of each grade levels progress.
- Penny Drive collection will officially end on Friday, February 22nd

Why: ...because it's a worthy cause that helps our community

...because it's a tangible way our school can give back to our community

...because modeling and practicing "giving without getting" to our community demonstrates good citizenship

...because it's always good to look to the interests of others, especially those with special needs

Our Goal: To add value to our community by raising funds and awareness of Special Olympics in Eastern Washington, while modeling good character and citizenship.
